In re: Cancellation of Mediation Order, Brizinova, et al., Case No.  
12-42935 (ESS)' *Geltzer v. Soshkin*. Adv. Proc. No. 17-01157  
(ESS) (**Mediation**)

Your Honor,

You were pleased to refer the aforesaid matter for mediation on October 8, 2019, Hon. Nancy H. Lord as the mediator. I request you to kindly rescind the order of mediation referral. My clients do not consent to the said mediation.

Your Honor, in all fairness, I had not consulted with my clients, the Brizinova family before consenting to it. Yesterday, while talking to my clients, I was admonished by my clients that I do not have their consent for mediation and that the case should proceed only with you. I am attaching the two emails from husband and wife, Nick Soshkin and Ms. Zlata Soshkin respectively.

Wherefore, pursuant to EDNY Bankruptcy Local Rule 9019-1 (g), I request that the mediation be cancelled, and the entire motion be brought back for judicial adjudication. Thank you for your consideration.

Yours Sincerely,
